

PARTICIPANT REFERRAL PROFILE

Independent, founder-led and RN-led support

CURRENTLY ACCEPTING ENQUIRIES

Personal support with direct access to a Registered Nurse.

A small, responsive provider for participants who value listening, clarity and clinically informed care.

WHO WE SUPPORT

NDIS participants whose needs are within ALTRUCARE's current scope, capacity and service area. Referrals are welcome from participants, families, nominees, support coordinators, plan managers and health or community professionals, with consent where required.

A GOOD FIT FOR PEOPLE SEEKING:

- A familiar and responsive point of contact
- Health-informed conversations and RN-led nursing support
- Practical help to access appointments, home routines and community life

SERVICES

- **Community Nursing Care** - assessment and nursing support within professional scope
- **Assistance with Travel & Transport** - appointments, local services and community access
- **Assistance with Household Tasks** - agreed everyday activities for a safer, comfortable home
- **Innovative Community Participation** - confidence, interests and meaningful community connection

EASY REFERRAL PATHWAY

- Free introductory phone call with Jyoti - friendly and no pressure
- Every referral is acknowledged promptly, including when more information is needed
- Suitability, availability, pricing, boundaries and next steps are explained before support begins
- Please do not email detailed clinical records initially; a safer next step will be discussed
